

The work presented in these lessons for our class Major Tests of Faith is not my original work. I received them from Joe Greer, who received them from Bill Hall. Joe Greer updated, added to, and reformatted the original documents and I have done the same to adapt them for our purposes here in these classes.

Please keep in mind that the Scriptures are infallible, but we are not.

(1 John 4:1) *“Beloved, do not believe every spirit, but test the spirits, whether they are of God; because many false prophets have gone out into the world.”*
