

Fundamental Bible Studies **the BIBLE**

1. Do you think most people would say they revere or respect the Bible as the Word of God?
2. Does the Bible claim to be the actual words of God? Can you give an example?
3. What does the word INSPIRATION mean? Please provide a Scripture where the word or concept is used.
4. Were the apostles and prophets given vague ideas that they then had to put into their own words? Can you support your answer with Scripture?
5. What does the word SUFFICIENT mean when we say “the Scriptures are sufficient”?
6. List some proofs that the Bible is the Word of God.

7. Why is it that so many will say they believe the Bible is the Word of God and yet, most don't use it for the purpose God intended for it?

As we go through these classes select key Scriptures that will help you talk with someone about this subject. Write them down and be prepared to talk about them with the class.
